

REMARKS

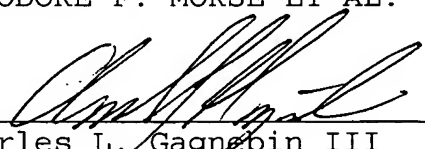

Applicant respectfully requests entry of the foregoing amendment prior to the prosecution of the application.

This Preliminary Amendment puts the claims into proper form for examination. Please note that claim 31 has been amended to reflect the Examiner's suggestion made in the International Preliminary Report on Patentability dated September 13, 2005, Box No. VII, and original claims 1-30 and 32-42 remain unchanged.

The Examiner is encouraged to telephone the undersigned attorney to discuss any matter which would expedite allowance of the present application.

Respectfully submitted,

THEODORE F. MORSE ET AL.
